### KEY DIFFERENTIATORS

We are a one-stop shop for training and performance improvement: Let us help you analyze, design, develop, and deliver realistic, interactive, and relevant solutions to support your training initiatives. We provide high-quality instructors to facilitate all levels of training requirements, regardless of locale. Our expertise includes the presentation of EEO and Leadership training for both employees and leadership and customized training offerings.

**Our Experience:** Our bench strength, averaging over 40 years of experience, has an unmatched reputation for improving our client's organizational performance through our triage analysis and needs assessment approach, as well as guiding leadership and staff through the implementation of improved processes, innovative technologies, and organizational changes.

**Our Diversity & Inclusion Programs:** Our team has extensive performance history in Equal Employment Opportunity (EEO), Diversity & Inclusion (D&I), Americans with Disabilities (ADA), Title VI, Title VII, Evaluation for Civil Rights, and EEO Compliance and Oversight.

**Our Team Leader Development Programs:** Our program is designed to contribute to building a lean enterprise that starts with the mindset and behaviors of every leader in the company and extends to every person throughout your organization.

**Our Expertise & Knowledge:** Our learning and design methodologies include industry-standard designs; accessible content using Web Content Accessibility Guidelines (WCAG 2.1), ADDIE Methodology, and the PROSCI ADKAR Model. **We deliver performance improvement with results!**
